Thank you for your interest in our Compassion and Justice DTS! The 6 month adventure will commence at An Cuan, our National Training Centre in Rostrevor, Northern Ireland. Rostrevor is situated near the Northern Ireland/ Republic border and is half way between Belfast and Dublin.

Our vision at An Cuan is to send people out into Ireland and the world to be a tangible expression of Jesus in a world that is hungry to see reality, authenticity and passion. We desire to be His hands and feet and plant long-term teams to be "Jesus with skin on" and serve all over Ireland and the world. Rostrevor is a hub for the training and releasing of these teams.

Our Compassion-DTS will be similar to the structure of classic DTS' all over the world. It will consist of 16 weeks of lectures on the foundations of radical discipleship and missions, and 11 weeks of outreach. Our DTS programs have traditionally emphasized on Reconciliation. We will illuminate the definition even further to focus on God's heart of compassion and justice for the poor, needy and marginalized as we wrestle in Ireland with the legacy of our conflict, and the issues of injustice, war and poverty around the world.

Once we receive your completed application we will pray about it and let you know if you have been accepted. If you are from overseas you will then have to begin the process of getting a visa. This is usually fairly straightforward but can take about 6 weeks.

We really look forward to this DTS, and pray that you will have peace as you decide whether to apply.
